ACC Entity #25139137 (Active)

CORPORATE OVERVIEW

Stetson Walker Surplus & Equipment LLC (Arizona Corporation Commission Entity ID: 25139137, Active Domestic LLC) is a commercial, municipal, and military surplus machinery dealer headquartered in Gilbert, Arizona. Founded and operated by Retired U.S. Air Force Master Sergeant David Scott Walker—a 20+ year military veteran and NCCCO Certified Tower Crane Operator (#555283119)—the company acquires, inspects, verifies, and remarkets non-titled industrial support equipment, mobile power generation, air compression, welding machinery, material handling, and rigging hardware.

CORE EQUIPMENT & PRODUCT LINES (NON-TITLED)

1. Towable & Stationary Rotary Screw Air Compressors

185–375 CFM diesel & shop units (Doosan, Ingersoll Rand, Sullivan-Palatek, Atlas and Copco). Cold-start, air-end pressure, regulation valve verified.

2. Mobile Diesel Generators & Commercial Light Towers

Tier 3 / Tier 4 Final commercial units & DoD MEP-series tactical quiet generators Voltage (Caterpillar, Magnum, Generac, Multiquip). & frequency checked.

3. Engine-Driven Welders & Shop Fabrication Machinery

Miller Trailblazer / Bobcat, Lincoln Ranger diesel & gas engine-driven welders, plasma systems, hydraulic power units, and heavy shop fabrication tools.

4. Compact Earthmoving, Material Handling & Aerial Lifts

Skid steers, compact track loaders, telehandlers, rough-terrain warehouse/yard forklifts, and electric/diesel scissor and boom lifts.

5. Inspected Rigging, Lifting & Jobsite Support Hardware

Wire rope & synthetic slings, shackles, spreader bars, load blocks, and jobsite with Tower storage—vetted NCCCO Certified Crane Operator standards.

THE OPERATOR STANDARD & DIFFERENTIATORS

• NCCCO & USAF MSgt Technical Vetting:

Every machine is evaluated by a career USAF Combat Arms / Heavy Operations SNCO and NCCCO Certified Crane Operator (#555283119)—never sight-unseen brokered paper.

• Cold-Start & Under-Load Verification:

Buyers receive verified engine hour logs, cold-start proof, operating pressure/voltage validation, and clear mechanical disclosure prior to wire or pickup.

• Direct Government & Fleet Sourcing:

Direct acquisition from DLA Disposition Services (DoD Surplus DEMIL-A), Arizona State & Municipal Fleet Auctions (ADOT, Phoenix, Tempe, Chandler, Maricopa County), and commercial rental dispositions.

• Clean Documentation & AZ Form 5000A:

Itemized commercial Bills of Sale, DEMIL-A / municipal release chain, and Arizona Transaction Privilege Tax (TPT) Form 5000A wholesale/resale documentation.
